Karen,

You can call me on the cell number and we can work through this. I'm watching it snow in Chicago airport for the next hour.

Rich- I'm sorry! I see the data format but no data ,is there an electronic link to get into the data system itself??

The password was provided but not the route to access it? Sorry if I'm just being dense but I'm not familiar with the scribe date base...

THANKS!!!!

Karen D. Johnson, Chief
